BEFRIEND COMMUNITY CONNECTIONS CERTIFICATION Full-Day Workshop

Build upon the foundational theory and knowledge from 'Relationship Building Science & Strategies' with the Befriend structured process and Toolkit for developing an individual's capacities for forming, developing and maintaining natural relationships. Learn how to apply tools from the Toolkit to facilitate an individual's successful connection into social groups and community networks.

What our recent participants have said:

"Befriend have given us a framework and tools that we can implement straight away. I will be carrying them with me and referring to them heavily when I visit my clients." - Participant, Avivo
